**Subject:** REPLY REQUESTED: Has ODEQ Provided Additional Detail on the Prescriptive TMDL Process? (Can I Check This Off?)/And Seeking Other Input  
[SA and Exhibit A Schedule.xlsx](#)

Hi All,

Many of you know I have been keeping a schedule of the SA commitments. See attached. I am thinking of providing our new attorney with a copy and was wondering whether I can check off "ODEQ providing additional detail on the prescriptive TMDL process." I recall a paper developed by Joshua Seeds addressing this commitment. Was that ever finalized? Did we (NOAA/EPA) officially approve this document?

During our meeting with Christine where we requested ORC assistance (success yea!), she asked for something like the attached document. Can any of you who participated recall what more she was seeking? I can't find my notes.

Please excuse my faulty memory. Like all of you, I am dealing with a wide variety of projects and it is a challenge to keep it all organized.

Cheers,

Jayne
